RE: Data Request for 2019-2020 Plan Year Illinois Intrastate Retail Revenue

Your Company's data may be reported online at gynwusf.com/il/More/Data-Request. All reporting companies are strongly encouraged to utilize the website to submit their Data Request.

Due to changes in the IUSF's contribution methodology, this will be the final November Data Request required.

The Illinois Small Company Exchange Carriers Association ("ISCECA") is requesting all contributing companies that have received Certificates of Service Authority under Section 13-403, 13-404 and 13-405 of the Public Utilities Act to respond to this data request.

The ISCECA is requesting your company to provide the Illinois Intrastate Retail Billed Revenues for October 1, 2019 through September 30, 2020. The requested Data Request and Instruction are located at the websites referenced below. The information gathered will be used in conjunction with the ISCECA's administration of the Illinois Universal Service Fund ("IUSF").

The ISCECA would appreciate your company's timely response for the information requested in the Staff Data Request. **Responses are due by November 16, 2020 and can be completed online at gynwusf.com/il/More/Data-Request.** All inquiries and responses associated with the request should be directed to:
