In the Matter of an Investigation to Determine )  
the Annual Assessment Rate for the Thirtieth ) Docket No. 26-GIMT-095-GIT  
Year of the Kansas Universal Service Fund, )  
Effective March 1, 2026. )

## **ORDER ADOPTING KUSF ASSESSMENT RATE**

This matter comes before the State Corporation Commission of the State of Kansas (“Commission”) for consideration and decision. Having reviewed its files and records and being duly advised in the premises, the Commission makes the following findings:

1. On October 7, 2025, the Commission opened this Docket to determine the Kansas Universal Service Fund (“KUSF”) Year 30 Assessment Rate, effective March 1, 2026, through February 28, 2027, (“Year 30”) pursuant to K.S.A. 66-2008(a) and Docket No. 94-GIMT-478-GIT.

2. On December 15, 2025, Steve Garrett filed direct testimony with several attachments on behalf of commission staff (“Staff”). Mr. Garrett’s pre-filed testimony recommended that the Commission adopt an assessment rate of 12.67% for KUSF Year 30.<sup>1</sup>

3. Mr. Garrett testified that the assessment rate is comprised of two budgeted components: (1) the projected KUSF obligations or amounts to be paid from the KUSF; and (2) the projected revenue base, or the revenue carriers are projected to report to the KUSF for funding purposes. The KUSF Year 30 total KUSF obligations of \$34.1 million are reduced by the projected

<sup>1</sup>Direct Testimony of Steve Garrett, p. 2 (Dec. 15, 2025).

\$1.9 million reserve and increased by \$2.4 million for the Contingency Fund Allowance, resulting in the \$34.6 million net KUSF obligations to be collected from a revenue base of \$272.9 million. Garrett proposed the Commission adopt its resulting 12.67% assessment rate for KUSF Year 30.<sup>2</sup>

4. Mr. Garrett explained Staff's calculation of each KUSF obligation, including \$30 million for the Rural Local Exchange Carriers ("RLECs"), the resulting pro-rata KUSF support reduction, and each RLEC's resulting annual KUSF support.<sup>3</sup> Garrett further explained these calculations will change based on the Commission's decision in Docket No. 26-HVDT-048-KSF ("26-048 Docket") where Haviland Telephone Company, Inc., ("Haviland") seeks an additional \$1,387,380 of annual KUSF support.<sup>4</sup> Garrett recommended the Commission direct Staff to file a Report and Recommendation in this Docket to provide the revised annual KUSF support reductions and each RLEC's pro-rata KUSF support after the Commission issues an order in the 26-048 Docket.<sup>5</sup>

5. On January 7, 2026, Staff filed a Motion to cancel the hearing scheduled in this Docket for January 15, 2026, and requesting a Commission decision based upon the pre-filed testimony filed in this Docket.

6. On January 13, 2026, the Commission granted Staff's request to cancel the hearing.

7. The Commission has issued orders to implement the \$30 million cap as provided for in K.S.A. 66-2008(e). The Commission has also issued orders providing direction regarding the KUSF Reserve and adopting a Contingency Fund Allowance.<sup>6</sup> Staff's calculations comply with those Orders.

8. Having reviewed the pre-filed testimony in this Docket, the Commission adopts the assessment rate of 12.67% proposed by Staff for the KUSF Year 30. The Commission directs Staff to submit revised KUSF support calculations after the Commission issues an order in the 26-048 Docket, and to include the adjusted pro-rata KUSF support reduction and resulting support for each RLEC.

**IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:**

- A. The Assessment Rate for KUSF Year 30, effective March 1, 2026, through February 28, 2027, shall be 12.67%.
- B. Staff is directed to file a Report and Recommendation, along with the adjusted pro-rata KUSF support reductions and annual KUSF support for each RLEC in this Docket after issuance of a final Commission order in Docket 26-048.
- C. Any party may file and serve a petition for reconsideration pursuant to the requirements and time limits established by K.S.A. 77-529(a)(1).<sup>7</sup>
